Description:

Care-Ys® :

The aim is to create a cluster of businesses in the healthcare sector and more specifically concerned with Healthcare & Silver Economy (products and service for ageing population: ehealth, connected home, technical help, domotics, predictive health, nutrition,...). Along with our partners, such as the University of Namur, hospitals and businesses in the sector, the park is designed as a new district in the city of Namur, the regional capital of Wallonia, located at the intersection of the E411 and E42 motorways.

Surface area

13 hectares to be developed

Seeking

Startups and companies involved in Healthcare & Silver Economy - private investors for developing buildings

Timing

Available in 2024

Property owner

BEP Expansion Economique

Architects

BEP Expansion Economique
