Description:

Eco-district:

Construction of an eco-district made up of 120 dwellings (flats and single-family houses) but also a senior-citizen programme (nursing home and potentially assisted-living facility) as well as a food shopping area, all incorporated within high-quality public facilities. Other services are currently being considered in order to offer residents a comfortable quality-of-life while remaining in an area of a rural nature.

Surface area

3.7 hectares

Seeking

Investors

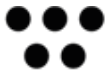

Timing

Town planning procedures mi-2020, marketing and works from 2021

Property owner

Provisional sales agreement signed by SOGEXFI and EQUILIS (for the benefit of the company LUXIS-M)
