Description:

LES BERGES DE L'ARGENTINE :

ATENOR is developing a superb mixed residential, offices and retail project, ideally located in the lovely town of La Hulpe, 15 km South of Brussels. Nestled in a magnificent park, 5 minutes from the railway station and the main roads, the project will offer :

- 22.000 m2 residential units
- 4.000 m2 offices
- 400 m2 retail capacity
- 460 parking places

This new site will become a real eco-friendly living and working area, favoring soft mobility and offering a variety of affordable residential units. The project aims at contributing to the revitalization of the city centre.
