

Crosspoint

Area: Namur
Property Iret development

Photo

Location: Boulevard Melot, 5000 Namur, Belgique

Description:

Crosspoint :

Crosspoint will be an office building of $\pm 10.000 \text{ m}^2$, with a high environmental and energy performance, situated directly adjacent to Namur train station. This location offers an ideal high visibility implantation, situated on the Boulevard Mélot and the plaza in front of the main train station from Namur (train and bus), the Crosspoint building will provide future occupants with a superb accessibility, incomparable to all other locations Namur, the Capital of Wallonia. The project is aiming to obtain a BREEAM-Excellent certification, which would of course enable its occupants to control their energy costs.

Available surface $\pm 10.300 \text{ m}^2$ above ground and $\pm 6.800 \text{ m}^2$ underground with 199 parking places.
