Location: 4600 Visé, Belgium

Description:

CLOS SAINT HADELIN :

On the site of an old shop, the project is located on a crossroad in the center of Visé, highlighted by emblematic buildings.

The project is « filling » the 4th angle by a resolutely contemporary architecture, inspired by a game of articulation embodied by brick and black aluminium. Based on the optimization of distributions, the building is comprised of 11 luxury apartments, 16 inside parking spaces on an area of only 700 sqm.
