Description:

Les Deux Écluses:

This residential project offers a superior quality of life in a natural and peaceful environment. Situated, as it is next to the old canal at Seneffe, near Nivelles, this development offers both country living and easy accessibility.

The project (phase 1) includes 85 residential units in total. All are comfortable, spacious, and flooded with natural light. And many offer a stunning view of the canal. Close to public transport and within walking distance of local shops, this charming community is both rural and urban ...
