Catedra :

In the heart of Brussels, the European capital, the residence invites you to experience the city differently. Enjoy an exceptional quality of life, at the foot of a thousand-year-old cathedral and a stone's throw from one of the most beautiful squares in the world.

On foot or by bike, stroll through the streets of typical Brussels architecture, take a stroll to the Royal Park on a summer's day, enjoy a cultural visit to the Palace of Fine Arts, visit the emblematic Manneken-Pis and stop at the Wolf to taste a few specialties from here or elsewhere, ... The city center of Brussels and its wonders open up to you ... without the need for a car.

Close to the metro stations "Central Station" and "Park", the project benefits from a strategic and privileged location from which everything is easily accessible. Moreover, the Central Station, a railway

crossroads, will take you directly to the airport or to the Gare du Midi from where Thalys and Eurostar depart.

With its eyes firmly set on the future, the residence has been designed to optimize the comfort and quality of life of its residents. It offers a premium connected concierge service (dry cleaning, shoe repair, sewing, IT repair) as well as elegant lobbies for which special attention has been paid.
