## Hotel Radisson Spa:

### RADISSON SPA BALMORAL EXTENSION

Expansion of the Radisson Blu Balmoral Hotel in Spa. Construction of a 4,500 m2 extension with 75 rooms and suites at the rear of the site.

This extension varies from R+2 (connection with the existing building) to R+4 facing the park.

Each suite has a bedroom, living room, dressing room, bathroom and terrace.

Inside the block there is a park and an extension to the car park with 100 spaces.

Part of the extension is made of moellon, a traditional material, contrasting with white glass, white steel and white plaster, the contemporary materials.
