Nivelles Nord Gates of Europe Business Park

High level business park ideally located along the E19 motorway, at the gates of Brussels and Flanders.

Land available for companies active in B to B (no retail).

High level business park ideally located along the E19 motorway, at the gates of Brussels and Flanders. Land available for companies active in B to B (no retail). The Business Park offers highly qualitative land in a very dynamic and green environment. Companies have the possibility to extend and create synergies with one another. This business park is the last opportunity to invest in Nivelles in the office and semi industrial sector. Successful companies such as EASI or LEONIDAS have chosen Nivelles Nord. Do not hesitate to join hem !
